

NEW ENGLAND INSTITUTE
FOR PREHOSPITAL MEDICINE INC.

WITH THE SUPPORT OF

EMT COURSE

STARTING JANUARY, MAY & SEPTEMBER 2024

Emergency Medical Services (EMS) training can open the door to many opportunities. From starting a new career to enhancing a current one, our EMT courses open many doors for you! Whether it is a new career, additional income, Veteran's retraining, entering the fire service, law enforcement, EMS, or even to work in an Emergency Department as an ER Technician, to work in Public Service is a true Honor! College students may gain patient contact hours! Learn how to help people in their time of need! Make your move with NEIPM! We are an award-winning, Nationally accredited organization. NEIPM graduates have been providing exceptional medical care to Massachusetts residents since 1977. Our training center is a fully accredited training facility with the Massachusetts Department of Public Health's Office of Emergency Medical Services (OEMS.) Our instructors still work in the field and have decades of experience. That experience, along with updates on current practices, allows our staff to bring a dynamic setting to the classroom. At NEIPM and Action Ambulance, we work with you to lay the foundation for an exciting career track.
